Radschrauben oder Muttern-Satz
Zentrierringe / Set

CHF 110
CHF 60

* Lackiert / Poliert=Die Felgen werden in diversen Farben (schwarz, silber etc.) produziert. Diese Ausführungen haben alle den gleichen Preis.

Genauere Bezeichnung bezüglich Farbgebung und Grössen entnehmen Sie bitte dem Katalog oder unserer Homepage.

Alle Felgen werden nur mit Original BMW-Radschrauben verschraubt.
Ebenfalls können auch die Original Nabendeckel und Luftsensoren übernommen werden!

Rotary Forged ® Hier handelt es sich um geschmiedete Alufelgen, die mit hohem Druck hergestellt werden. Dadurch werden die Felgen sehr stark und trotzdem viel leichter als herkömmlich hergestellten Felgen. Bei der Gewichtsersparnis wurde besonderen Wert darauf gelegt, dass diese aussen an der Felge ist, um die Rotationskräfte zu verringern und dadurch die Performance zu erhöhen!
